*Dr. Krishna Paudel*  
*Deputy Director for Research and Communications*  
*Resource and Rural Economics Division,*  
*Economic Research Service, USDA*

### *Background:*

*Krishna's work focuses on water quality and water quantity, technology adoption, and international development economics. Krishna has served the agricultural economics and other affiliated professions in several roles, such as Editor of the Journal of Agricultural and Applied Economics, and as President of the Southern Agricultural Economics Association. He currently serves as Associate Editor for two journals: Natural Resource Modeling and Journal of Water Resource Planning and Management.*
