

# Go Loco for Local

Underwood Business Alliance/Underwood Civic Club

Underwood Area Economic Development Corporation

## Simple Advice:

## 10 Reasons to Shop Local

Did you know that dollars spent locally stay in the community up to three times more than those spent elsewhere? In addition, dollars you spend locally support vital public services, like our fire department, our city employees, our parks department, our roads and streets, and our water and sewer. Your purchases help our town attract new entrepreneurs and skilled workers. Towns that preserve their one-of-a-kind businesses and distinctive features have more success recruiting new businesses and residents.

### Own a Business

#### Start a Business

The McLean Sheridan Small Business Development Center and the Underwood Area Economic Development Corporation will help you with all of your business planning and resource needs. And best of all, those services are free.

So, put your thinking caps on, roll up your sleeves and add another business to Underwood. There's always room for more!

**Underwood Business Alliance** We started the Underwood Business Alliance in the fall of 2011 with the idea of making it easier for Underwood residents to live a local and more sustainable life. As friends with a shared interest in the prosperity of Underwood, we want to ensure that all Underwood residents understand the importance of supporting our local economy.

Just think of the things that we enjoy living in a small town . . . riding our bikes or walking to the store, having our friends and neighbors as the storekeepers, and knowing that we can count on each other when times are tough.

You can count on us. Here's to counting on you too.

- 1 You put dollars in our economy.
- 2 You embrace what makes Underwood unique.
- 3 You create local jobs.
- 4 You help the environment.
- 5 You nurture the future of our community.
- 6 You conserve your tax dollars.
- 7 You create more choice.
- 8 You take advantage of our expertise.
- 9 You invest in entrepreneurship.
- 10 You make us a destination.

*"Joe definitely knows customer service. He's always friendly and very happy to help me find just the right product at the hardware store."*

*"The folks at Underwood Farm Supply go out of their way to make sure I can get my work done. They set the example for the rest of the town."*

*"Gary with Warehouse Grocery and his staff are always willing to place special orders for items we need for our business meetings. These are generally items they normally do not carry or are items that he can get for us in bulk quantities. We simply give them a call or stop by, and they make sure the groceries are at the store in a timely matter. This sure beats having to drive out of town!"*

*"We have always felt "safe" with Cottingham Insurance as our Insurance agent. It's good to know the people that are taking care of us. And it's nice to have you in our town."*

*"I am so thankful that T Bones came to town. Who would ever think that Underwood could have such a nice restaurant with such good food."*

*"Missy at the Scissor Shak works around the clock with you to make sure you get your hair done when you need it done!"*
