Note: Projected revenue and ARC-CO payments using USDA-NASS yield estimates per harvested acre and USDA-WAOB/USDA-FSA projected prices as of July 10, 2015. Actual ARC-CO calculations will be based on yields per planted acre as determined by USDA-FSA. Data is missing where USDA-NASS yield estimates are currently unavailable. Dawes and Sioux County estimates may not be accurate due to USDA-FSA compilation of Dawes County and North Sioux County in one grouping and South Sioux County in another grouping.
